## Account Trouble Shooting

Once you have entered your Username and Password the account setup process is finished and you may use the Username and Password to sign in to the mobile application. In addition, if your device supports fingerprint authentication, you may choose to enable the Touch ID option for login.

**Note: You will not be able to use your account information on the mobile application until you complete the account setup process.**

### **Forgot Password:**

If you forgot your password, select the "Forgot Password" link located at the bottom of the page. After selecting the link you will be taken to the MyBenefits CalWIN website "Forgot Password" page. There you will be asked to enter your Username.

After entering your Username, a temporary password will be sent to the email address associated with your account.

Let's make sure we have your correct contact information.

## Account Trouble Shooting

MyBenefits CalWIN is a website that allows you to set up an account to check your case status and benefit amount, check EBT balance and transactions, see if you are eligible for assistance programs, apply or continue an application, submit reports or renew benefits, view your notices, and submit documents. In order to have access you must first set up an account in MyBenefits CalWIN.

Once you have created a Username and Password, the same Username and Password will be used to access your case information on both the MyBenefits CalWIN website and Mobile Application.

### Setting up an Account:

You may use the mobile application to start the account setup process. To complete the account setup process, open the email sent to you by MyBenefits CalWIN and select the link provided. The link will take you to the MyBenefits CalWIN website where you will be able to log in using your Username and Password.
